

Bargaining Update

Contract Negotiation Session #4 - 5/13/2024

Quick Overview: 200+ STU members joined the bargaining team, we received their final proposals, and we presented our wage proposal.

Updates

1. Unfortunately, we were not able to meet in a space large enough to accommodate our 200-member bargaining team, but we made sure that management saw and heard us all!
2. School Committee gave us 5 proposals regarding the following topics: stipends, high school teaching provisions, PSRP contract (layoffs, recall, displacement pool, transfers/reassignments, vacancies, and postings), high school work day and work year.
3. STU presented our wage proposals, calling for dramatic wage increases for all workers. We then shared testimonials which were very heartfelt and we are so grateful for those who shared their very important experiences!
4. Come to our next bargaining meeting on May 29th and June 17th!

Silent Representative Observation:

"They (school committee) agrees we should be paid more money! Then do it! What are they waiting for?"
